ABOUT

Emily Avagliano, founder of Dating to Get Married, is an international speaker and best-selling author who helps women find the soulmate love they most deeply desire. Emily has distilled the science of psychology, physiology, neuroscience, genetics, and biochemistry into an easy to understand, step-by-step program to transform her clients approach to dating.

From designing a robot for the Mars Lander at Jet Propulsion Laboratory to running a \$2B clean energy product line for a Fortune 500 company, Emily has spent twenty years transforming science and disruptive technologies into solutions to help people. She's used these same skills gained in assessing technology and understanding science to develop her course on how love works.

TESTIMONIALS

I have done a lot of soul searching and work on myself and I feel I am in a really good spot to find the one. Emily got to the heart of the matter very quickly. I am hopeful about dating again.

Mary, 42 - Melbourne, Australia

I have spent a lot of time talking with a therapist and not getting the results I wanted. Taking Emily's workshop helped me understand how my upbringing was influencing my dating behaviors. This not only works for finding love, it works for all aspects of your life.

Anja, 31 - Munich, Germany

"Every day I wake up and I am so excited to spend the day with my husband and son. We just keep getting stronger together. I am so thankful for the science that showed me how to create this powerful love and connection. I believe that everyone deserves to find love, but not everyone knows how to create a lasting connection. I am on a mission to spread the science of how love really works. I want everyone to feel the joy that I have with my family."

SPEAKING ENGAGEMENTS
